Can a Commissioner for Oaths sign Manitoba documents while out of the province?

All documents signed by a Commissioner for oaths must be signed within Manitoba unless the Commissioner has an "outside" appointment. This appointment enables the Commissioner to sign Manitoba documents while they are outside of the province. If you need to sign documents both within and outside of Manitoba, you must apply for both appointments (separate applications). Submitting the applications for each appointment together will ensure that you receive the same expiry date for each appointment (which must be written under your signature every time you sign as a Commissioner for Oaths).
