

IMPORTANT NOTICE REGARDING CHANGES TO EXPEDITED SERVICE

Due to the significant increase in requests for expedited service, the Companies Office has had to re-evaluate this service to ensure that it can continue to meet client expectations. Therefore, **effective January 28, 2008**, the following changes to expedited service will occur:

1. If your request for “expedited service” is received **before** 11:00 a.m. your documents will be ready by 11:00 a.m. the next working day (same day service will normally no longer be offered).
2. A Request for Service will be required when **filing all documents** on an expedited basis (i.e. including Business Name Registrations). This form has been modified to include a section that must be completed when requesting expedite service (section E). An updated copy of this form is enclosed and is also available on our website at www.companiesoffice.gov.mb.ca

In order to help you determine whether you need to request expedited service when filing documents, we are now posting our processing dates on our website at www.companiesoffice.gov.mb.ca/processing.html . This information will be updated daily.
